

Shenzhen Huanamei Cosmetics Co.,Ltd.

Company Profile

About US

- Shenzhen Huanamei Cosmetics Co.,Ltd specializes in designing, manufacturing and sale of a wide variety of cosmetics brushes.
- Established in 2008, offer our clients high standard OEM/ODM services.
- We work with many designers from numerous international Brands and help them to make their design into reality by providing technical solution to achieve it. We are the expert in OEM & ODM services with our own manufacturing plants. We might not have the best price but we guarantee best service and best quality.
- Trust, Quality and Service is our company motto.
- Choose us, Huanamei Makeup Brush is your right choice!

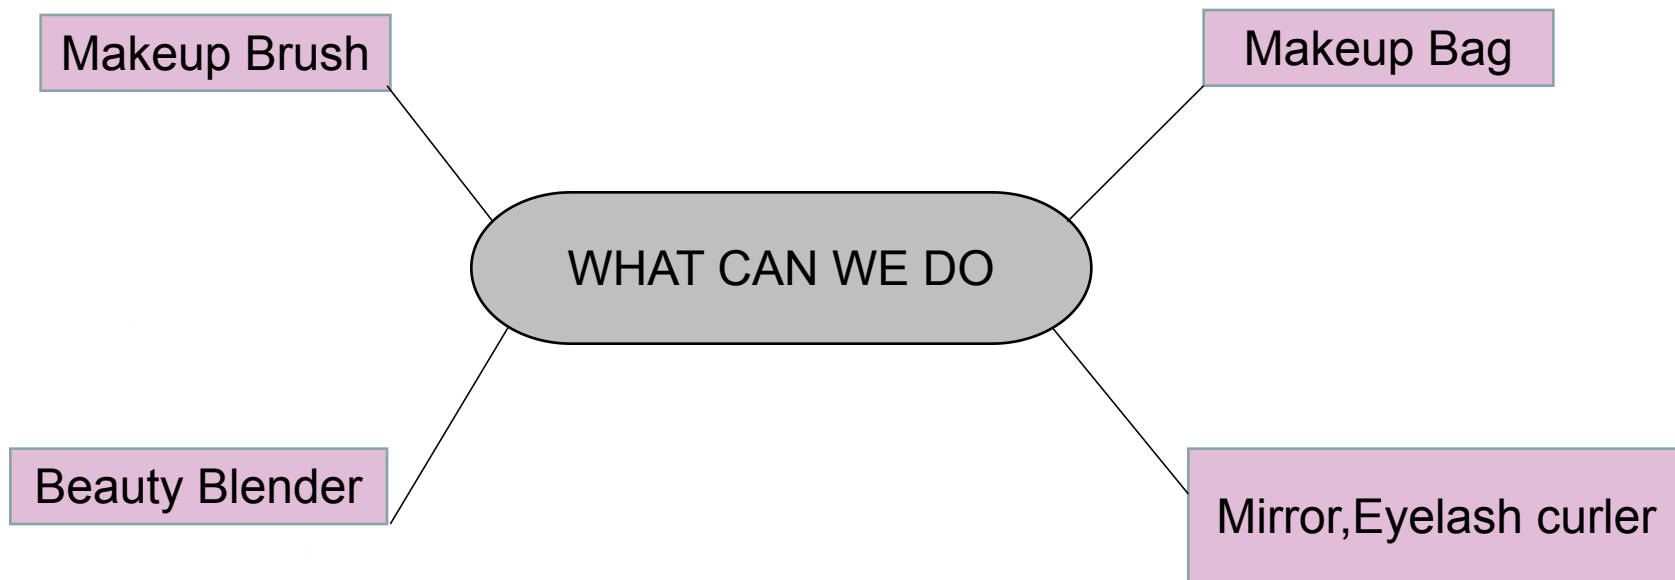

Huanamei's advantage

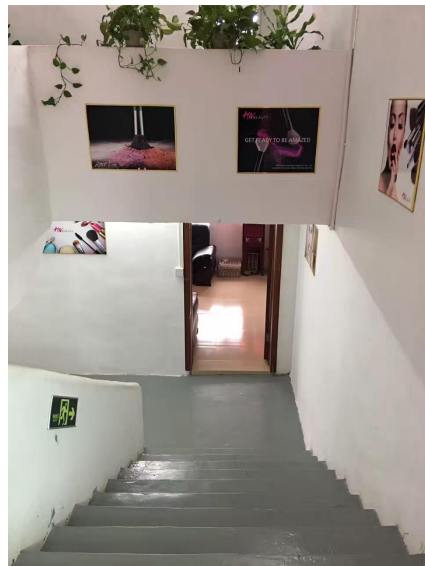

- Experienced in working with numerous international brands.
- Producing products with our own manufacturing plants.
- We are the expert in OEM&ODM service.
- Consistently and persistently developing new products, new technology and new materials.
- One-stop service: from the technical drawing or design concepts to the finished products.
